

Dots on Doorknobs
1-to-1 Correspondence
Counting
Color Recognition

What You Need:

- Reusable Dot Stickers

What You Do:

1. Give your child sheets of reusable dot stickers and let him put one on each doorknob he can find.

Next Steps:

1. Identify the color of each dot.
2. Help your child count as he puts on all the dots of the same color from one sheet of dots.
3. Have your child guess how many dots he will need for all the doorknobs on a piece of furniture or in a room, etc.
